**From the East:**

Brothers,

This year I am truly looking forward to opening up the Lodge as the pandemic comes under control.

WB Kennedy, thanks for your two years of incredibly hard work during such a difficult time. I have taken cues from what you have done, and I intend to carry forward in the same thoughtful and organized manner.

This year I want to get back to the excellent Masonic degrees that Cornerstone is known for. Making more good men into Masons.

For the upcoming year, starting in February, we will be having dinners catered from local restaurants. This will be a great opportunity to put some money, and our name, into our local community. February we will be having Hog Wild BBQ.

Please let me know what restaurants you would like to order from. Let's try and keep our business local and in the neighborhood.

We also have the opportunity to create events with different Lodges, and reach out in ways we have never done before.

Late this Spring I would like your helping working with the neighbors to paint the intersection of 84<sup>th</sup> Ave and Ash St. to beautify the neighborhood. We also have plans for making our Lodge space more comfortable, too.

The Lodge will also have an outreach committee this year, tasked with reaching out to a diverse group of people and organizations and demonstrating what a unique organization Freemasonry can be.

Our youth groups are extremely important as they are the future of our Lodges, Chapters and Courts. We will continue our commitment to them.

If everything stays on its current course, Halloween and our haunted house is going to be top notch.

Congratulations to our elected officers! I look forward to working with you for the benefit of our Lodge.

My job will be serving you for the upcoming Masonic year, and upholding the work of the Past Masters behind me.

Thank you for trusting me with this important work.

David Gillette

Worshipful Master

Cornerstone Lodge #157 AF&AM

## From the West:

Happy Holidays from the West!

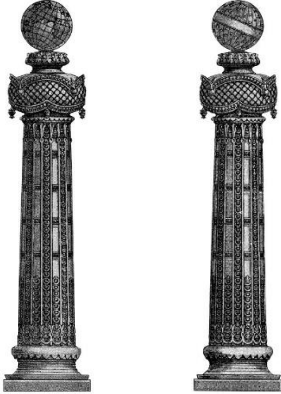

That time is upon us once again when moving forward seems like a constant hunger for longer days and warmer weather. Hopefully, our goals have come to fruition where we can have the strength for new ones to tackle.

With the lingering COVID cases, Cornerstone continues on doing what we love, service to our fellow humans, and providing community help to those in need, even when assembling is at a minimum.

I look forward to doing degree work that once kept us at the Lodge most Monday evenings, and as a consequence made up our excellent ritual stature.

My goal for 2022 will be grounded in servicing our Lodge, Brothers, and our new excited worshipful Master, David Gillette.

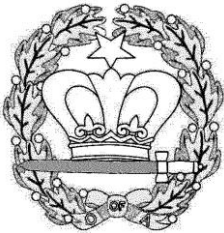

I am hopeful that this year will be one of great work and growth for everyone involved, and look forward to serving in the west.

Joseph Aguirre
