**FROM THE EAST**

**AFTER A LONG HIATUS**, the trestleboard is back! Thank you for your patience as we redesigned the delivery methods and process; we hope you like the results. Please pass your compliments along to WB Adam Bayer, who designed this layout, and is taking on the role of editor for our lodge.

By making delivery entirely electronic, we have drastically reduced one of the largest ongoing expenses of our lodge, making more funding available for the support of community and charitable efforts—without reducing the frequency of our mailings to quarterly, as was motioned and almost passed. Additionally, this enables us to give each organization their own page, and therefore send out the trestleboard even if some of the organizations fail to submit their content in time, as was the most frequent cause of missed mailings in the past.

If you have any difficulties viewing or printing from pdf, please do not hesitate to contact **webadmin@cornerstone157.org**, or stop by the lodge's community dinner at 6:30pm the second Monday of the month to be helped in person.

**Some major changes since the last mailing:**

- ▶ The house behind the lodge was purchased
- ▶ Rental management company has been changed
- ▶ Gresham lodge is meeting out of our building, 1st Tuesday of the month
- ▶ Business Leadership Workshops ran for 9 months, and were concluded
- ▶ Structural building improvements have been approved and partially completed
- ▶ Received the Lodge of Excellence Award at Gold level

As we reach elections and the transition months between one leader and the next, introspection on what has been achieved, how much is left to complete, and what we will leave behind all become of paramount importance. *Memento Mori, Mors Transitum*. Let's enter the holidays full of gratitude, give our thanks, and do everything we can to ensure the successful future of all those who come behind us.

I hope to see you soon, and shake your hand in the lodge of our making!
