From the East:

In the past month, I have had the duty and opportunity to work with Grand Lodge officials in conjunction with some Past Masters, and repeatedly I was given the same direction. The number one job of a Worshipful Master is to keep harmony in the Lodge.

For the past 40 years I have been a working musician, musical harmonies are my day job, but I thought I would put the definition out for us all so that you might see my directive spelled out concisely.

There are no words used in Freemasonry as filler. Our Founders were very specific in their goals for our institution and define our main strength as harmony directly through our Lodge ritual.

Harmony is a combination of different notes, sounded simultaneously to produce a chord for a tone that has a pleasing effect.

If there is no pleasing effect, it's just noise. All of the different notes sounding off at random create a cacophony.

Harmony amongst people is defined as the forming of a pleasing and consistent whole. That sounded like another definition of our Craft.

I challenge you, and all Brothers to support every Worshipful Master in the same endeavor, as he supports you in this goal. As good men, we are taught that harmony is our natural inclination. Together Brothers, we are happiest when we make a pleasing and consistent whole.

Thanks

David

A big “thank you” to our members as we enjoyed a great dinner prior to our meeting on October 7th welcoming our Grand Royal Matron, HL Judy Jones and Grand Royal Patron, SK Alan Kelsay for their Official Visit. While the attire was formal for the evening, the Halloween themed accessories that many members added made the evening fun and enjoyable.

Our November meeting will be on Friday the 4th at 7:30 pm. As the holiday season is upon us, I want to wish everyone good health and be safe as you may be traveling.

From Job's Daughters – Bethel #1:

We hope everyone had a great Halloween! Our Bethel enjoyed a small party to celebrate the season and strengthend our sisterhood through a game night.

This month we plan to host our official visit and would love to see as many of you as possible to support the daughter's. It is much more fun to show what they can do with visitors.

We are also going to try to plan a fun event to help promote the order. If you or anyone you know knows a young lady who could benefit from this organization, please feel free to contact us and we will get you all the information.

Finally, our annual flocking fundraiser is back. For only \$15 you can send a flock of flamingos to a friend's house to let them know you are thinking of them. They always seem to put a smile on someone's face so the more the merrier. Please feel free to spread the word to anyone as this is intended to make it into our community!

We look forward to seeing you all throughout the month and please let us know if you have any upcoming events!
