From the East:

Welcome back brothers, families and friends,

Cornerstone Lodge is opening back up after being dark for the summer, and I so look forward to seeing you all and continuing our work.

Our Oaks Park picnic was put on in conjunction with Lents, Sunnyside and Washington Lodges, and I want to extend thanks to everyone who helped out. Our picnic is definitely a party for our families, but I also saw a lot of invited families that would never have had the means to take their kids to Oaks Park. We made a lot of kids, and by extension their parents, feel extremely happy. We also supported Oaks Park, which is a fantastic Portland instrument.

I would also like to recognize WB Eric Headley; WB Michael Clayton and his wife for going above and beyond once again this year.

In the very near future, we will be in collaboration and combining efforts with our neighbor Lodges in regards to our efforts, and I am excited to continue planning.

This past March I became a Grandfather after my daughter had a very difficult pregnancy, she and the baby were in hospital for many months. I am so grateful for the Brothers of this Lodge reaching out to me and making me feel supported in such terrifying circumstances. This summer I am learning to be a grandpa, and watching my family heal and grow.

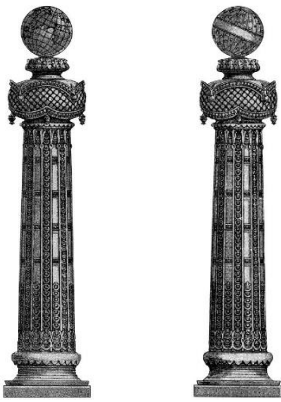

This Masonic year, I wish you all Masonic harmony, and I look forward to laughing, learning and keeping good company.

Fraternal Love
David Gillette

From the West:

Greetings from the West!

With summer coming to an end and the cooler nights ahead, I'm delighted to return to our proceedings and finish the Masonic year. I'm coaching a brilliant young man from Nepal with his first lecture. I'm excited to see him prove himself very soon. We're bringing in a great generation of men into our lodge and fraternity. It makes me especially hopeful about what the future may bring.

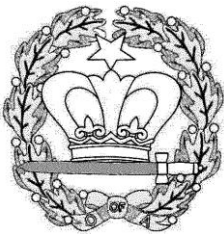

I was asked a few questions by our Grand Lodge marketing-communications specialist, Marrison Douglas, about how Freemasonry has impacted my life. I'm excited to announce that I will be representing Cornerstone Lodge on the upcoming refreshed website. Stay tuned!

Lastly, I had the pleasure of traveling with my wife to Montana and New York City. Visiting places like the Battle of Little Bighorn and LT Colonel George Custer's memorial, as well as The Federal Hall on Wall Street, where Brother George Washington took his oath of office, made me proud of my country and fraternity, and reminded me to never take it for granted.

May the rest of the Masonic year be plentiful.
